DOM Thoughts,

It's hard to believe that the summer of 2019 is coming to a close and our kids will be heading back to school in just a few short weeks! The summer has been filled with summer camps, Vacation Bible Schools, church picnics, family vacations, church mission trips and much, much more. As we turn our attention towards the fall, I am so excited about what the Beaverdam Baptist Association has lined up for our churches in the way of conferences and training opportunities this fall. As I said in last month's newsletter, we have an incredible lineup of fall conferences planned and we are excited about providing these learning opportunities. Would you please make a note of each of these opportunities and make plans now to attend? Encourage key leaders from your church to make plans to join us as well. **We do ask that you please call the association office at 882-7070 and register for each of the fall conferences.** This will help us in providing the conference materials as well as with the food preparation plans.
