Executive Board Meeting

Monday, February 14 at 7:00 PM

Beaverdam Mission Center

215 N Townville St, Seneca

The pastor and two members from **each church** make up the Executive Board.

From the DOM,

I wanted to use my space in this month's Golden Triangle News to update you on our association's efforts to assist churches with revitalization options. We announced in 2021 the formation of an Associational Revitalization Team. The members of our team are committed to helping churches look to the future with hope and excitement as they seek to bring God much glory! The members of our Revitalization Team have attended numerous conferences and seminars in order to receive the training necessary to better assist our churches. In March of this year, our team, for the second year, will be attending the North American Mission Board's Replant Lab (March 14-15) in Atlanta. The Replant Lab features some of the best revitalization practitioners from across the country. Our Associational Revitalization Team members have also attended the South Carolina Baptist Convention's 2021 Revitalization Summit and various other training opportunities offered across the state by our state convention and the Lexington Baptist Association.

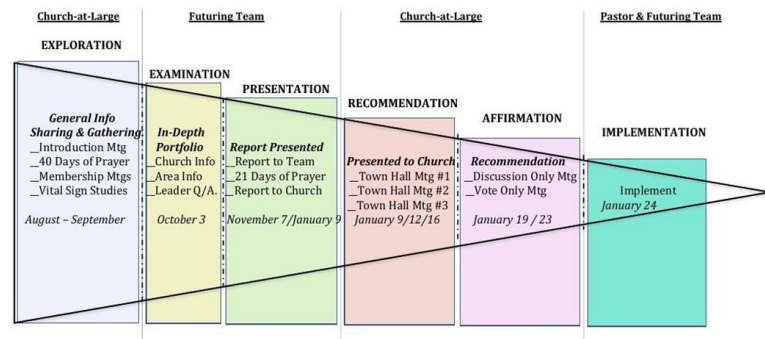

Words cannot describe to you how thrilled I am that two of our Beaverdam Association churches (Lydia Baptist Church and Corinth Baptist Church -Westminster) voted unanimously to be a part of the Revitalization/Futuring process. Lydia Baptist Church entered into the process in the fall of 2021 and should be receiving their recommendations from our Revitalization Team in the days ahead. Corinth Baptist Church - Westminster began the process in January 2022 (Exploration Phase I) and should receive their recommendation around May-June 2022.

I look forward to, hopefully, other churches making the decision in the weeks/months to come to follow the example of Lydia and Corinth. I am so proud of those two churches for their willingness to begin the journey and for their desire to look forward to a future that "Brings God Much Glory". After all, the ultimate goal of the Revitalization Process IS for churches to "Bring God Much Glory".

If your church would like to know more about the Revitalization Process, please contact me at 864-882-7070. I would love to come and share with your church details about the Revitalization/Futuring Process and how your church can become part of it.

David
